Magnolia Christian Academy, is nestled in the upstate farmland of South Carolina, not far from Augusta, Georgia this is where you will find its beautiful country campus. Drawing upon traditional values of Southern hospitality and American nostalgia, students are taught respect for authority, integrity honor and accountability.

Magnolia Christian Academy provides a structured and supervised environment where high standards exist. Each student follows a regimented daily schedule and a firm set of rules. Students learn discipline while developing proper motivation and direction.

The overall Mission Statement at

Magnolia Christian Academy exemplifies the staffs commitment to excellence. It includes the determination to "serve the children in our care with love and consistency, to serve parents in restoring the family unit, and to be trustworthy and support each other in this great work".

Magnolia Christian Academy has distinguished itself in program diversity and academic excellence, "Lighting tomorrow with today" is the academic motto.

WarrantyMagnolia Christian Academy Residential Specialty Boarding School offers an exclusive "Warranty". All students who have successfully completed all "Character Building" courses including "Leadership Training" at this facility may be re-admitted to the school for up to 60 days of free tuition, if he or she does not show satisfactory academic progress or character development before the age of 18.

Seminars The Residential Specialty Boarding Schools we represent provide a series of highly effective "Educational Seminars and Workshops"; specifically designed to teach character building. During these Seminars, teens learn about key character-building qualities such as:

- Accountability
- Honesty
- Integrity
- Trust
- Proper Choices
- Responsibility
- Self-Esteem

While the student is completing his or her series of seminars, the parents are invited to attend "Parent Seminars" and "Parent Support Meetings" held in many locations throughout the United States . The highlight of the seminars is when parents and students are invited to attend three effective "Parent/Child Workshops". These are designed to assist each family in improving communications and strengthening relationships.
