Horizon, is located on the California/Nevada border, surrounded by beautiful mountains, sand dunes and expansive stretches of untouched arid land. Horizon Academy is in a secluded location with a small town atmosphere providing a friendly, family-oriented environment.

The California Sierra Nevada mountains lie to the west and the spectacular glitz of Las Vegas is just beyond majestic snow-capped Mount Charleston. The temperature provides year-round outdoor opportunities and the vast desert floor invites exploration of its flora and fauna. Horizon remote location removes students from many unproductive and negative distractions or influences. This is a perfect setting for students to focus on their academic progress and character development with highly structured, positive supervision and guidance. Students can enjoy the quiet, tranquil desert as they learn life skills that will provide them with the knowledge, honor and personal integrity essential to a successful life.

The Academy utilizes many computerized learning courses which provide students with some of the most "leading edge" technology to help them achieve academic progress and excellence. Academic curriculum is individualized and competency-based. This allows students to work at their own pace, and maximize the learning process, with constant guidance, supervision and encouragement.

Horizon provides an excellent environment for students to succeed academically while developing into respectful, honorable young adults.

Warranty Horizon Academy Residential Specialty Boarding School offers an exclusive "Warranty". All students who have successfully completed all "Character Building" courses including "Leadership Training" at this facility may be re-admitted to the school for up to 60 days of free tuition, if he or she does not show satisfactory academic progress or character development before the age of 18.

Seminars The Residential Specialty Boarding Schools we represent provide a series of highly effective "Educational Seminars and Workshops" specifically designed to teach character building. During these Seminars, teens learn about key character-building qualities such as:

- Accountability
- Honesty
- Integrity
- Trust
- Proper Choices
- Responsibility
- Self-Esteem

While the student is completing his or her series of seminars, the parents are invited to attend "Parent Seminars" and "Parent Support Meetings" held in many locations throughout the United States . The highlight of the seminars is when parents and students are invited to attend three effective "Parent/Child Workshops". These are designed to assist each family in improving communications and strengthening relationships.
